

I strongly protest Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election.

This film is not "news," it is a blatant political polemic. If it is allowed, then each Sinclair station should be forced to show Fahrenheit 911 or some other equally polemic from the left, in an equal time slot.

It is up to the FCC to enforce the law. I urge you to DO THE RIGHT THING.

Jerry Minnich
